## BACKGROUND AND EXPERIENCE

ExAct Malta is a Maltese company, located in Valletta and dedicated to the management of education and training mobility projects for students and adults. We receive participants from all over Europe and we organise for them internships in different vocational areas, as well as professional visits and seminars and courses for school education staff. Mobility projects can generally be funded by the European Erasmus+ programme or European Social Fund, but also by regional or local funds.

We actively participate, as promoters and partners, in European projects such as Erasmus+ KA1 and KA2 and Partnerships in the following topics: mobility, employability, entrepreneurship, development of soft skills, digital skills, etc. At international level, ExAct Malta collaborates with different international organisations such as VET schools, high schools, universities and public entities and associations. We provide also design, consulting services and management for Erasmus+ initiatives in KA1 and KA2 actions.

Ex.Act Malta is an organization whose priority is creating growth opportunities both for the individuals and for society in general. We aim to create synergies, tools and methods for the spread of culture, education, social responsibility of individuals and organizations. Our activities are respectful of the inviolable rights of the person. Ex.Act Malta is a Maltese organization which offers qualifications and professional training in many social and artistic fields such as: education, culture, entertainment, tourism, technological innovation, entertainment, communication and art in general. The association is dedicated to the management and support of European mobility projects, especially under Erasmus + programs, as well as promotion and improvement of tourism in Malta.

Thanks to our well-established network within the Malta area, we can provide high quality internships for students and graduates who come to Malta to improve their professional skills and increase their job opportunities.

Our company also offers Professional improvement courses for people working in education and training. Our courses help participants to grow on a professional level, by improving their own competences and sharing ideas with colleagues from other European countries.

The main aims of the organization are:

- promote and organize events such as conferences, trade fairs, seminars, research/ training paths and exhibitions
- promote and facilitate mobility initiatives, education, training, guidance, career support, business creation, update, information and spread of knowledge;
- set up scholarships and organize internships in Malta and abroad;
- promote activities for the sustainable development and social responsibility of individuals and private and public organizations of all kinds;
- realize and enhance initiatives and services in the fields of culture, arts, entertainment, film, and disseminate and promote these activities in all national territory and in Europe;
- promote and organize cultural events, music, theater, entertainment, film, animation product and attend to them with their members if promoted and organized by other associations,

public and private;

- provide information, news, data and any documentation relevant to the performance and development of the activities of members;
- promote the use of ICT for information and training;
- expand the network of national and European Partners for the dissemination, discussion and sharing of ideas, projects and work programs for development of the community, social integration, European citizenship and opportunities for young people.
